

Architectural Profiles Ltd Carbon Reduction Plan

Publication date: 1st June 2022

Commitment to achieving Net Zero

Architectural Profiles Ltd is committed to achieving Net Zero emissions by 2050.

In order to continue our progress to achieving Net Zero, we have adopted the following carbon reduction Initiatives:

- Certification to ISO 14001
- Adoption of LED lighting where possible
- Carbon-reduction analysis on any workplace improvements
- All employees to prioritise low-emission company travel
- All personal company cars to be hybrid or electric
- Prioritise supply chain members committed to Net Zero

In the future we hope to implement further measures such as:

- Continuous improvement under ISO 14001
- All packaging to be recyclable where possible
- Fleet additions to be hybrid or electric
- Carry out a full supply chain audit
