

APL Case Study

Project: **327 Woodstock Road**

Date: **2021**

Background:

- APL were involved from an early stage with the architects, designing a custom profile to meet the architects vision
- APL's strong relationship with a range of suppliers enabled the client to have a large range of colours available and settled on an anodised-bronze

Systems:

- 450m² of Oxford-range custom bespoke in aluminium with a PPC coating in an anodised-look bronze
- All cappings, flashings and bespoke window surrounds
- All fixings and accessories

Building Location:

- Oxford
